

Statement Regarding Regulation (EC) No. 1907/2006 of the European Parliament and the Council (REACH)

According to the current state of knowledge, all products distributed by us are not subject to registration according to EC Regulation No. 1907/2006 (REACH). As a downstream user, we are exempt from reporting because the proportion of substances of very high concern (SVHC) in our products is less than 0.1%.
